

PUBLIC NOTICE

Treelake Park Tot Lot Project

Placer County will soon begin a project to install a new 5-12 year old tot lot at Treelake Park. The tot lot will be updated and will meet all manufacture and safety guidelines.

Closed For Public Safety

- The **Tot Lot Play Area will be closed** due to construction beginning in Fall 2011, and will take approximately 2 months for project completion. The area will remain closed until the project is complete.
- The **parking lot will be closed periodically** during construction to store construction vehicles, stage equipment and debris.
- **The two small shade structures will be closed** for the duration of construction project.

Please check the County's web site located at www.placer.ca.gov for updates on park closures during construction or you can call the project manager, Tim Arndt, at 530-886-4994.
